Dr. Anderson has authored many books to empower Black America. His book, *PowerNomics: The National Plan to Empower Black America* provides us the script and blueprint to survive.

*Given the global economic status, Black businesses closing at an alarming rate, the high underemployment rate for Blacks, high incarceration rate for Blacks and Black children lagging behind in making the grades and they are not being prepared to meet the bilingual challenge for getting a job in California, we must do more than just sit at the “Wishing Well.” By Dr. Rosie Milligan*
